DR. N. G. BURNHAM,

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a Thankful to the ladies and gents for the liberal support concentrated extract of Para Sarsaparilla, so he has received for the last five years, hoping for a concombined with other substances of still greater alterative power as to afford an effective antidote to give satisfaction as he has always tried to do. Being for the diseases Sarsaparilla is reputed to cure. well experienced in all the branches of his business, he It is believed that such a remedy is wanted by feels confident that all work entrusted to his care will be those who suffer from Strumous complaints, and done by experienced workmen from Paris. ment on many of the worst cases to be found of

the following complaints:-TIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, Syphilis and Syphillitic Affections, Mer-CURIAL DISEASE, DROPSY, NEURALGIA OR TIC-DOULOUREAUX, DEBILITY, DYSPERSIA AND INDI-GESTION, ERYSIPLEAS, ROSE OR ST. ANTHONY'S CLEANING AND DYEING Fire, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of the remedy, spare themselves from the endurance of foul eruptions | term and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the ing been established since 1852. Orders from the counvitiated blood whenever you find its impurities try promptly attended to. bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great ma-

chinery of life is disordered or overthrown. Sarsaparilla has, and deserves, much the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or anything else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for SPRING MEDICINE believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to the United States, the said goods and merchandise being cure. In order to secure their complete eradication from the system, the remedy should be

UNION DEMOCRATIC PLATFORM.

ADDRESS IN STATE CONVENTION JANUARY, 8, 1882

WHEREAS, The Democratic party having, from the date of its organization, been in favor of the maintenance of the Union and the preservation of

the Constitution, and seeing in the present condi-tion of the country the deplorable effects of a departure from its time-honored and conservative

principles, and the triumph of sectionalism; and firmly believing that the Union and the Constitu-

tion can be preserved alone by the restoration of that party to power, we invite all true Union men

throughout the land to unite with us in sustaining its organization and carrying out its principles:

Resolved, 1. That we reaffirm and endorse the

political principles that from time to time have

been put forth by the National Conventions of

2. That we are unalterably attached to the

Constitution, by which the Union of these States

was formed and established; and that a faithful

observance of its principles can alone continue the existence of the Union, and the permanent

happiness of the people.

3. That the present civil war has mainly re-

sulted from the long continued, unwise, and fa-natical agitation, in the North, of the question of

domestic slavery, the consequent organization of a geographical party, guided by the sectional platforms adopted at Buffalo, Pitteburgh, Phila-

delphia, and Chicago, and the development there-

by of sectional hate and jealousy, producing (as had long been foreseen and predicted by us) its

counterpart in the South of secession, disunion,

and armed resistance to the General Government,

and terminating in a bloody strife between those

And the attempts which have been made since our present unfortunate troubles, to muzzle the press and stifle free discussion, are exercises of despotic power against which freedom revolts and which can not be tole rated without converting freemen into slaves.

If the former, we lament that our nation has been humiliated by their surrender, under a threat; if the latter, it was the duty of the Administration at once to have disavowed the act of dition to pay, etc., of Lieutenant 10 26 00 their officer, and instead of incarcerating the cap-In the above we have not inserted the fractives in Fort Warren, to have immediately retional parts of dollars, for convenience sake, in paired the wrong by placing them, as far as prac ticable, in the same condition in which that offi cer had found them. That the action of the Republican party. as manifested in the partisan character of all appointments of the Administration to civil office; and, in holding party caucuses by the Republican members of Congress for the purpose of impressing upon the legislative action of that body the peculiar dogmas of that party, have demonstrated that their professions of "sacrificing party platforms, and party organizations, upon the altar of their country,' are but so many hypocritical and false pretences by which they hope to dupe the unwary into their support; and we warn all loyal persons, as they

love their country, not to be deceived thereby. 16. That the disclosures made by the investigating committee in Congress of the enormous frauds that have stalked into the army and navv departments, implicating the heads of those de partments in a connivance at, if not an actual participation in a system of corruption, and in which our brave soldiers have been delrauded of their proper supplies, and our Government threatened with bankruptcy, demands a thorough investigation into all our expenditures, both State and National, and that a speedy and marked example be made of all such "birds of prey," who, taking advantage of the necessities of our roun

try, have fed and fattened upon public plunder. Resolved. That the meritorious conduct of the Indiana troops, in every battle field where victory has perched upon the national banner, has filled the people of this State with the highest gratitude to her gallant sons, and that we send our best wishes to officers and men, dispersed throughout the country, and the heartfelt greetings of every Democrat for their further brilliant schieve ments in the coming contests for the maintenance of the Constitution and the Union.
